Calumet Refining, LLC Statement of Kosher Status

Kosher status of Calumet Refining, LLC's product is dependent upon the plants that produce our products. Our Calumet Refining, LLC facilities, and all the products they produce, are fully Kosher Certified; certificates are posted at:

<https://calumet.com/wp-content/uploads/2021/12/Kosher-Certification.pdf>

All other Calumet Refining facilities, as producers of base oils, process oils, solvents, and waxes, do not participate in the Kosher Certification process. Calumet Refining will confirm that products produced in these facilities, if they are 100% petroleum composition materials, are derived solely from crude oil and petroleum feedstocks. No animals are used in the processing of our oils, solvents, and waxes.

Please contact Calumet's Product Support Team at technical@clmt.com should you have further questions.

Sincerely,

Lynn Massad
Technical Market Development Manager
