To Our Valued Customers,

This letter is in response to your recent request for confirmation of the status of Calumet Refining, LLC mineral oil, petrolatum, wax, and gelled hydrocarbon products as it pertains to the Regulation EC 1223/2009 definition of 'nanomaterials.'

The above listed product types are not defined as 'nanomaterials,' per Regulation EC 1223/2009 ('an insoluble or impersistent and intentionally manufactured material with one or more external dimensions, or an internal structure, on the scale from 1 to 100 nm').

Additionally, Calumet Refining, LLC products are not manufactured with, nor are they expected to contain any nanomaterials, based on our knowledge of the raw materials and our refining processes.

Please contact Calumet's Product Support Team at technical@clmt.com should you have further questions.

Sincerely,

Lynn Massad
Technical Market Development Manager
