Melamine Statement

To Whom It May Concern:

Calumet Refining, LLC certifies that melamine is not present in its USP-NF grade mineral oil products. It is not added or used as a processing aid during the production of these materials.

Incoming raw materials are not tested on regular basis to confirm the absence of melamine.

Finished products are not tested on a routine basis to confirm the absence of melamine as this material has never been detected in past product testing.

Please contact Calumet's Product Support Team at technical@clmt.com should you have further questions.

Best Regards,

Lynn Massad
Technical Market Development Manager
